In conclusion, your Committee take pleasure in saying, that, in their opinion, the affairs of the Town, so far as regards the municipal officers, have been managed judiciously, and with the strictest economy, and that notwithstanding the Receipts have been small, compared with former years, the Treasury has been able to meet every demand with a promptness, that is highly honorable to the Town, and leaving the Town to occupy an enviable position, free from debt, and nearly eleven hundred dollars available funds.

Respectfully submitted.
